Dinner: Full Court Meal

Using the makings of sandwiches, lay out your 'fixings' on parchment paper or a platter in the shape of a basketball court. Meat is great as the semi-circles, cheese can be the inside box. Bread slices can be lined up as the base of the court.

-Use a permanent marker to draw on oranges and make them basketballs. Be sure to discard peelings before eating.

-disassemble and eat

Outfit: Jerseys

Get plain tank tops and decorate as your own jersey. Pick up iron-on numbers or letters at a local craft store. Can also use markers or craft paint.

Craft: Basketball coloring sheets and placemats

Use orange construction paper and create basketball court placemats. Print coloring sheets from online.

Activity: Shoot some hoops

Either go play basketball outside or get a set to play inside.
